

Step 3: Locate and Access

Searching the library

1. Begin by visiting: <http://www.crb1.k12.wy.us/webpages/library/>
2. To begin first login or create a login. Your barcode number is your student ID.

3. You can do a basic search by typing your search terms and clicking go.
4. An **Advanced Search** located at the top, allows you to search multiple search terms; limit search terms; or limit by Accelerated Reader, Lexile, and interest level.

5. A list of records will appear after you search. If you see **ASK** the material is either out or at another library in the district. The  means it is an actual book, and the  symbol means the material is an e-book.

6. To view specific information on the material just click on the title of the book. You will be able to view the call number, copyright, author, Accelerated Reader, etc. You can also hold materials from your own library and other district libraries. (You must be logged in to use this feature.)

Catching fire
Suzanne Collins.

★ ★ ★ ★ ☆ (Reviews: 1)

By winning the annual Hunger Games, District 12 tributes Katniss Everdeen and Peeta Mellark have secured a life of safety and plenty for themselves and their families, but because they won by defying the rules, they unwittingly become the faces of...

7. Destiny not only searches for books in our library, but will search reliable websites. Just click on the Onesearch tab.

8. To view these online resources just click on the website title. This will provide you with an abstract of the website article. Click on the blue website article line to view the article.
9. You can save books and online resources for later use by saving them in a list. You may either drag them into "my list" or just click add to list.
10. When you are done with your list you can save, email, or print your list. Destiny will even create a proper MLA bibliography from your list.
